R-203506MOD	517 x 22 x 0.7mm	Right	
R-218005	554 x 20 x 1mm	Square/None	
R-218005CS	554 x 20 x 1mm	Square/None	Carbon Steel
R-218005MOD	554 x 20 x 1mm	Right	
R-218006	554 x 22 x 0.7 mm	Square/None	
R-220001	560 x 20 x 1mm	Square/None	
R-235005	595 x 20 x 1mm	Square/None	

Chamfer Options

Note: When determining chamfer placement the sharp edge of the skinner blade should be away from you and the ACE etch should be visible.

Square/No Chamfer

Right Chamfer

Left Chamfer

ACE skinner blades come with options such as chamfer placement and blade material to optimize your cutting experience. They are laser etched for easy installation and traceability and packaged in safety packs with four blades per pack.
