**American Cutting Edge, a Division of CB Manufacturing manufactures the most popular wood chipping knives to OEM specifications. Our vast manufacturing capabilities offer a distinctive advantage to provide chipper knives of exceptional quality and competitive pricing. All of our wood chipper knives are built with high quality Modified A8 chipper steel with 8% Chromium, closely inspected dimensionally and heat treated for maximum wear-ability and strength. Our exceptional quality and competitive pricing is quickly becoming the choice of many in the tree care industry from small users to large fleets, OEMs, and distributors.**

**See page 27 for our BRUSH CHIPPER PRODUCT PRICE GUARANTEE**

# Stump Grinder Teeth

## How to Determine What You Need

### Check your Pockets

Pockets have a number on them that correlates to the series tooth that it fits.

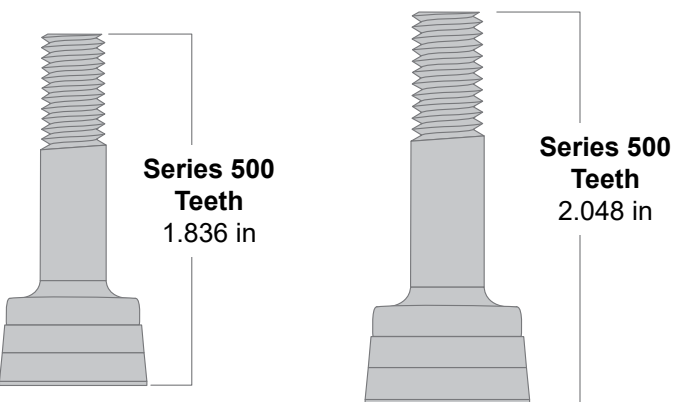

Series Teeth	Number on Pocket
Series 500 teeth	5
Series 700 teeth	7
Series 900 teeth	9
Series 1100 teeth	11

### Check your Tooth Height

Each new series stump tooth is a specific height. Wear and tear from use may affect this measurement.

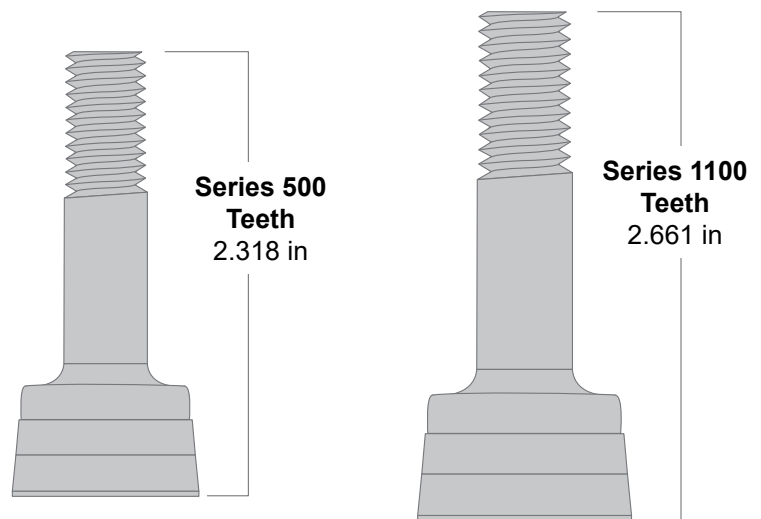

Series Teeth	Tooth Height
Series 500 teeth	1.836 inches
Series 700 teeth	2.048 inches
Series 900 teeth	2.318 inches
Series 1100 teeth	2.661 inches

### Check your Wrench

You will need a different size wrench to remove the nut for each series stump tooth.

Series Teeth	Wrench Size
Series 500 teeth	1/2-inch
Series 700 teeth	9/16-inch
Series 900 teeth	5/8-inch
Series 1100 teeth	3/4-inch

### Check your Horsepower

The horsepower of your machine typically corresponds to the series teeth that you are running.

Series Teeth	Horsepower
Series 500 teeth	Up to 20
Series 700 teeth	From 20 to 45
Series 900 teeth	From 45 to 85
Series 1100 teeth	85 or more

# BRUSH CHIPPER PRODUCT - PRICE GUARANTEE - TERMS & CONDITIONS

When you buy brush chipper products from American Cutting Edge, we promise you'll always get the lowest price online. If you find a better total price through another online provider for the same product, we'll match it. The Best Brush Chipper Price Guarantee Program ("Program") is offered by American Cutting Edge, and these terms and conditions ("Terms and Conditions") describe the Program. By filing a claim or otherwise seeking to take advantage of the Program, you agree to these Terms and Conditions.

Under the Program (as further described below), if you find a brush chipper product offered online at lower price point than what is currently being offered on American Cutting Edge, American Cutting Edge will match that price. American Cutting Edge reserves the right, in its sole discretion, to modify, alter, or otherwise update these Terms and Conditions, and/or to add, modify, restrict, suspend, discontinue, or cancel the Program without notice. The Terms and Conditions that are in effect at the time of your purchase will determine your eligibility under the Program. Interpretation of Program Terms and Conditions shall be at the sole discretion of American Cutting Edge. Any disputes arising out of these Terms and Conditions or the offer of the Program shall be resolved individually, without resort to class action, and shall be governed by the laws of the State of Ohio, U.S.A., exclusively by an appropriate federal or state court located in the State of Ohio, U.S.A.

## How the Program Works

### Find a Lower Price.

If you find a lower price on an eligible item offered for sale by American Cutting Edge by an American Cutting Edge competitor online prior to completing your purchase of either product, American Cutting Edge will match the lower price.

Here are the things we'll verify when we process your claim.

The competitive website price must be:

1. In the same currency as the item on American Cutting Edge
2. Price for American Cutting Edge to beat must include shipping.
3. Available to the general public – in other words, you are not required to sign up for any kind of membership or be part of any purchasing program, or log in to a website, to obtain the price.
4. Provide Proof of Lower Price: Email proof of the lower price including shipping costs to Michael Ledford at [mledford@americancuttingedge.com](mailto:mledford@americancuttingedge.com) by providing either a link to the lower price or a screenshot of the item with price including shipping of the exact Brush Chipping product being offered on the American Cutting Edge website.

Valid Claims - Upon verification of a lower price, we will adjust the price of the product to match the lower competitive price.

### Limitations and Exclusions

American Cutting Edge reserves the right to reject any Program claim for reasons that include but are not limited to, the following:

1. Violation of these Terms and Conditions;
2. Misrepresentation of any information in a Claim, or any misuse of this Program;
3. Verbal, or written abuse of American Cutting Edge personnel

By submitting a Claim or accepting the price reduction that is validated under the Program, you agree to release, discharge, and hold harmless American Cutting Edge and its parent companies, and its and their affiliates, subsidiaries, directors, officers, agents, and employees from all claims or damages arising out of any use or misuse of the Program.
